	)	
_____	)	
	)	
ALLEGED VIOLATION OF KRS CHAPTER 278	)	

O R D E R

On March 11, 1991, the Commission entered an Order in this case establishing an enforcement proceeding against Oak Haven Water and Sewer Company, Inc. ("Oak Haven") for numerous violations of Commission statutes and regulations. By Order, the Commission directed Oak Haven to file a written response to the allegations within 30 days from the date of the Order. A response to the latest inspection report was filed by Oak Haven with the Commission on March 21, 1991. The Commission further directed that Oak Haven should appear at an informal conference and should bring an employee and/or officer of the corporation familiar with the allegations in this case to the conference scheduled for April 22, 1991 at 10:00 a.m. The scheduled conference was convened at 10:00 a.m. with Commission Staff present. No representative from Oak Haven appeared.

After consideration of the foregoing and being otherwise sufficiently advised, the Commission finds that a public hearing should be held in this matter and that Oak Haven should appear,

represented by counsel, to show cause why it should not be penalized for noncompliance with Commission regulations, statutes and the Commission's March 11, 1991 Order.

IT IS THEREFORE ORDERED that Oak Haven shall appear at a hearing scheduled for June 18, 1991, at 10:00 a.m., Eastern Daylight Time, in Hearing Room No. 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky, for the purpose of showing cause, if any it can, why it should not be subject to the penalty provisions of KRS 278.990.

Done at Frankfort, Kentucky, this 14th day of May, 1991.
